

Buy-a-Brick

Commemorate your time on campus or honor the memory of someone special! The brick walkways throughout the campus add history as well as charm to the college.

The proceeds support the Columbus State Alumni Association. This partnership between the CSCC Alumni Association and the CSCC Development Foundation creates a permanent legacy.

The commemorative bricks are only \$100.00 each and may be inscribed with up to three lines of text with each line containing up to 13 characters (spaces count as a character). A portion of the purchase price is tax deductible.

Orders may be placed at any time. The bricks are inscribed and laid 4 times a year, following the end of each quarter. Purchasers are notified by postcard after the bricks have been laid.

To take advantage of this very special offer, please complete the order form and return it along with payment to the Columbus State Community College Development Foundation Office.
