

Frequently Asked Questions – Columbus State Employee Giving

What impact will my donation make?

Donations made by Columbus State employees each year make higher education possible for thousands of students. When you make a one-time gift or sign-up for payroll deduction, you're **all in** for the success of our students.

Employee donations contribute to student success by helping to fund scholarships, programs, and the college's highest philanthropic priorities like providing student emergency assistance. Gifts made to the Area of Greatest Need allow college leadership to direct funding to where it's needed most, however, employees may designate their donation(s) to any existing Foundation fund.

How do I make a gift?

Visit <https://cscfoundation.org/employee-giving/> for easy access to links and information.

Making a **one-time gift** can be done securely [online at https://foundation.csc.edu/](https://foundation.csc.edu/), through payroll deduction, or by mailing a check to The Columbus State Foundation, 550 East Spring Street, Columbus Ohio 43215.

Signing up for **payroll deduction** is the most popular choice of employees to support students. Through recurring donations made directly through deductions from paychecks, an employee can make a one-time gift, or spread their gift throughout the year.

To ADD a new deduction, click “Add,” and choose one of the two CSCC Foundation funds listed from the dropdown list. Clicking “CSCC Foundation – Other” will open a new popup with a selection of existing funds from which you may choose. If you do not find the fund to which you wish to donate, please email foundation@csc.edu.

To INCREASE a deduction, you must first put a stop date on your current deduction and then follow the steps above to set up a new deduction.

If I am already enrolled in payroll deduction and don’t want to change anything, do I need to take action?

You should **not** need to make changes, however, now is a great time to **check the accuracy of your voluntary deductions** in Workday to make sure it reflects your wishes.

What should I do if my Workday Voluntary Deductions appear incorrect?

Please email payrolloperations@csc.edu for assistance.

Can I specify how my dollars are being spent?

Yes. You may choose to support a specific scholarship fund or existing program fund. Alternatively, choosing “Area of Greatest Need” as your designation enables College leadership to direct funding to where it’s needed most urgently.

Is there a minimum gift amount?

Gifts of ALL sizes are important and amplify our impact on the lives of students. When enrolling for payroll deductions, the minimum is \$1 per pay period. For gifts made by credit card the minimum gift amount is \$5. There are no minimums for gifts made by check.

Who should I contact with additional questions?
